## About TelSoc <sup>[1]</sup>

---

### **TelSoc Vision**

Telecommunications plays an increasingly central and critical role in the fabric of our modern digital society.

TelSoc exists to maximise the effectiveness of telecommunications in Australia.

## **TelSoc's Purpose**

TelSoc's mission is to provide a focus for Australian Telecommunications in the following areas:

- The dissemination of new information
- To encourage productive debate
- A platform to illuminate what the future holds
- To stress the importance of excellence in Telecommunications
- To provide professional networking between people in all roles in the Telecommunications Community
- To enable lifelong learning in Telecommunications for all related professionals

## **Principles**

TelSoc believes in the importance of:

- Taking pride in the Telecommunications industry or profession
- Good decisions made on the best possible information
- Professionalism in what we do and enable
- Even-handed, factually based, well-argued alternative views
- A multidisciplinary approach, involving all roles in the Telecommunications Community
- Enthusiasm in all things

## **The TelSoc Community**

TelSoc embraces all those in the broader telecommunications community:

- Engineering, Information Technology, Academia, Students, Sales & Marketing, Legal, Manufacturers, Media, Service Providers, Corporates, Government & Regulatory, SMEs, Consultants and others

## **TelSoc Board**

- Reg Coutts (President)
- Tim Herring (Treasurer)
- Ken Sayers
- Craig Watkins
- Peter Triantafilou
- Greg Paynter
- Tim Bates
- Peter Elford

- Peter Hitchiner

## Administration

- Tim Herring Executive Director
- Penny Fraser Executive Secretary
